Brief on Samagra Shiksha

Samagra Shiksha is an overarching programme for the school education sector extending from pre-school to class 12 and has the broader goal of improving school effectiveness measured in terms of equal opportunities for schooling and equitable learning outcomes. It envisages the 'school' as a continuum from pre-school, primary, upper primary, secondary to Senior Secondary levels. The major interventions, across all levels of school education, covered under the scheme are: (i) Universal Access including Infrastructure Development and Retention; (ii) Gender and Equity; (iii) Inclusive Education; (iv) Quality; (v) Financial support for Teacher Salary; (vi) Digital initiatives; (vii) RTE Entitlements including uniforms, textbooks etc.;(viii) Pre-school Education; (ix) Vocational Education; (x) Sports and Physical Education; (xi) Strengthening of Teacher Education; (xii) Monitoring; (xiii) Programme Management; and (xiii) National Component. Preference in the interventions is given to Educationally Backward Blocks (EBBs), LWEs affected districts, Special Focus Districts (SFDs), Border areas and the 115 Aspirational districts.

The scheme has now been aligned with the recommendations of National Education Policy (NEP) 2020 to ensure that all children have access to quality education with an equitable and inclusive classroom environment which should take care of their diverse background, multilingual needs, different academic abilities and make them active participants in the learning process. It has been continued for a period of five years with effect from 01.04.2021 to 31.03.2026. The major recommendations of NEP which are included in revamped Samagra Shiksha are as follows:
