Dear Sir/ Madam,

As you are aware, the Ministry of Education has been conferring the National Award for Teachers over the years to celebrate the unique contributions of teachers in the country and to honor those teachers who through their commitment have not only improved the quality of school education but also enriched the lives of their students.

2. I am delighted to inform you that now we have a large resource pool of teacher awardees, and we may tap into the potential of these teachers so as to further strengthen the school eco system. National Teacher Awardees represent the pinnacle of excellence in the field of education. Their exceptional accomplishments and contributions have been recognized at the national level, making them invaluable resources for fostering positive changes in our education system. By bringing them into the fold, we can tap into their wealth of knowledge, experience, and best practices to enhance teaching and learning outcomes.

3. Towards this end, I request your support to encourage the involvement of National Teacher Awardees in your state/UT in the school education ecosystem. As the data of awardee teachers is based on previous records, there would be changes in the contact details, areas of interest and the place of service. Hence, a format has been prepared to collect details from the National Awardee Teachers, including their basic details, professional background, teaching experiences, areas of expertise, and specific preferences regarding their involvement or areas of interest. This will serve as a convenient means to gather the necessary information for further analysis and dissemination.

4. The format for collecting the information is enclosed. The details of all awardee teachers of your State/UT who have been awarded from 2014 onwards may be collated and submitted to the Department of School Education & Literacy.

5. I look forward to your continued support for the effective implementation of this innovative endeavor. The details of the awardee teachers may be submitted in the enclosed format at the earliest.

Regards

Yours sincerely,
