Subject - Onboarding Knowledge Institution

Sir/Madam,

As you are aware that MYBharat portal have multiple partners registered in different category. A new category of Knowledge Institutions has been added in MYBharat portal for onboarding Knowledge Institutions (Schools, Colleges, Universities, ITIs, and Polytechnics).

Through this facility, every registered and approved Knowledge Institution will have its own dedicated page on the MYBharat portal, which will allow the Knowledge Institution to -

- Approve their MYBharat registered students.
- Publish information about institution's activities on the MYBharat platform.

It is to note that all registered Knowledge Institutions require approval from the concerned DYO through their MYBharat portal login.

You are requested to direct the school/institutions under your jurisdiction to register as Knowledge Institution on MY BHARAT portal immediately.
