**Subject: - "Punjab Election Quiz-2025" on the occasion of "National Voters' Day"
to Enhance Voter Education and Awareness – reg**

In preparation for National Voters' Day (NVD) to be celebrated on **25th January 2025**, this office is pleased to announce the organisation of a state-level quiz titled "**Punjab Election Quiz-2025**". This initiative is being conducted in collaboration with **Datanet India Pvt. Ltd.**, a New Delhi-based statistical firm that has previously assisted the Chief Electoral Officer, Jharkhand, in hosting similar contest.

The objective of this initiative is to **engage, educate, and raise awareness among the electorate of Punjab**. We aim to maximize electoral participation and boost voter awareness through strategic collaborations with local media platforms, including print and electronic media, as well as other stakeholders.

The quiz will take place in **both online and offline modes**.

- The **preliminary round** will be conducted online to identify district-level winners.
- The **final offline round**, will bring together 23 district-level winners to compete for the top three positions.

As the **State-level NVD celebrations** are scheduled to take place in **Ludhiana**, it is decided to also hold the offline quiz contest at Ludhiana, on **24th January 2025**, one day prior to NVD.

Schedule of the Quiz Contest

1. **Online Registration Begins:** 28.12.2024
2. **Online Quiz Contest:** 19.01.2025
3. **State-Level Offline Quiz Contest:** 24.01.2025
