Subject: Participation in the Green Olympiad (2026) to be conducted by The Energy and Resources Institute (TERI) - reg.

Sir/Madam,

I am directed to forward herewith a letter (copy enclosed) received from The Energy and Resources Institute (TERI) regarding conducting GREEN Olympiad. The Olympiad is aligned with the tenets of NEP 2020, Mission LIFE and SDG 4.7. GREEN Olympiad 2026 will be held in 6 languages i.e. Assamese, English, Hindi, Kannada, Marathi, and Tamil languages. The GREEN Olympiad 2026 is scheduled for 8 Oct and 18 Nov 2026, and the registration window remains open until 31 July 2026. Detailed information and school registration links are available on the official website at www.teriin.org/olympiad. Dr L viveen K Kahlon, Director- EEA, TERI, (kahlon@teri.res.in) will be the contact person for further coordination.

4. It is requested that all schools/students under your administrative control/purview may be advised to participate in the GREEN Olympiad.

5. This issues with the approval of the Competent Authority.

Yours faithfully,

Encl. As above.

(Ajay Kumar)

Sub: Request for endorsement of GREEN Olympiad (2026)

Dear Mr Kumar,

Under the National Education Policy (NEP) 2020 there are special provisions to integrate environment education within formal curricula. It is equally heartening to note that Mission LIFE (Lifestyle for Environment) is being promoted through school Eco-Clubs, wherein activities including Swachh Evam Harit Vidyalaya Ratings (SHVR), eco campaigns, and upcycling workshops are a regular feature. I am sure that these initiatives will rise to higher levels under your leadership, and kindly accept my congratulations for the same.

I wanted to take a moment to sincerely thank the Ministry of Education (MoE) for its unwavering support to TERI's GREEN Olympiad over the years. MoE's endorsement and outreach support has played a vital role in strengthening this school-based environment education initiative. It is truly remarkable to witness the event's growth—from its early days to now welcoming a significantly larger number of participating schools. With each passing year, we've seen the enthusiasm among students rise, making an even greater impact. GREEN Olympiad is aligned with tenets of NEP 2020, Mission LIFE and SUG 4.7. This examination is offered in six languages- English, Hindi, Marathi, Kannada, Assamese, and Tamil. Your continued support has helped us shape a more informed and environmentally responsible generation, and for that, we are immensely grateful.

As we commence the 2026 cycle of the project, I request a continuation of endorsement from your department (Copies of earlier confirmations are attached). As we progress further, TERI will be happy to participate and support MoE's activities in the fields of environment and education. My team at TERI, led by Dr Livleen K Kahlon (Director- EEA; kahlonl@teri.res.in) will be the point of contact and can help in co-design of activities at the school level, across the country.

Looking forward to collaborating further and a line of confirmation on GREEN Olympiad endorsement is requested to continue this wonderful journey together.

With warm regards,

Vibha Dhawan

Encl: Key endorsements from Government of India and Educational Institutions

Important Dates

Registration Deadline: 31 July 2026

Dates: First Date: 08 October 2026 | Second Date: 18 November 2026

(Schools are required to register for any one of the above dates to conduct the examination within their premises)

Registration Fees

Registration fee for GREEN Olympiad is INR 250/- (including taxes) per school.

Schools can register for the Olympiad with a minimum of 20 students (Individual registrations from students will not be accepted).

Students can also opt for purchase of GREEN Olympiad Model Question Paper priced at INR 100/- per copy.

Accolades

- Certificates of Participation, Merit and Distinction for Students
- Medals for School Toppers
- Certificates of Appreciation for Teachers and Principals
- Cash Prizes upto INR.10 Lakhs in Various Categories

Merit of GREEN Olympiad Certificates

Recognition of Environment Competence:

The Certificates (Participation, Merit, Distinction) serve as official recognition of students' understanding of key environment issues, including climate change, biodiversity, and sustainable development.

Endorsement by Government Bodies:

The certificates are endorsed by leading ministries and education boards, and carry significant credibility.

Academic and Portfolio Enhancement:

The certificates add value to a student's portfolio, highlighting their commitment to sustainability, which is increasingly relevant for future academic and professional opportunities.

Recognition for Schools and Coordinators:

The Certificates of appreciation to school principals and coordinating teachers recognizing their efforts in promoting environment education.

Background

GREEN Olympiad, launched in 1999, is India's premier environment-based examination. It is an annual academic feature that enhances knowledge and skills amongst students about environment and sustainability issues related to air, biodiversity, climate change, culture, energy, green skills, waste, water etc. This Olympiad follows the tenets of Lifestyle of Environment (Mission LIFE), Sustainable Development Goals (SDGs), National Education Policy (NEP) 2020 and National Curriculum Framework for School Education (NCF-SE) 2023.

GREEN Olympiad is endorsed by Ministry of Education (MoE) and Ministry of Environment, Forest and Climate Change (MoEFCC), (Government of India) and is promoted by Central Board of Secondary Education (CBSE), Kendriya Vidyalaya Sangathan (KVS), Navodaya Vidyalaya Samiti (NVS), National Institute of Open Schooling (NIOS) and several State Education Boards.

Salient Features of GREEN Olympiad

- The core activity of GREEN Olympiad is a written examination to test students' knowledge and awareness levels about environment and sustainable development. Examination is conducted within the confines of the school.
- GREEN Olympiad is conducted in several vernacular languages including Assamese, Kannada, Marathi, Tamil along with Hindi and English.
- GREEN Olympiad is held for students of Std. 4-12 across 4 Levels (Level 1- Std 4 - 5; Level 2- Std 6 - 8; Level 3- Std 9 - 10; Level 4- Std 11 - 12). The Olympiad includes multiple-choice questions (MCQs) with no negative marking.
- GREEN Olympiad maintains a pace with national priorities, as is evident by creating awareness about Mission LIFE through the examination content.
- The schools registered for GREEN Olympiad can also participate in "TERI's Sustainability Excellence Award"

Indicative Themes Included in GREEN Olympiad

- | | |
|--|--------------------------------------|
| • Biodiversity and Conservation | • Natural Resources |
| • Climate Change and Global Warming | • Energy Efficiency and Conservation |
| • Sustainability Policies and Global Practices | • Sustainable Development Goals |
| • Current Affairs, Treaties and Environment Agreements | • Emerging Green Technologies |
| • Anthropogenic Impacts on Environment | • Waste and Circular Economy |
| | • Others |
